DEVELOPMENT OF COMMUNITIES,**

MEMBER OF
**Dow Jones
Sustainability Indices**

In collaboration with a RobecoSAM brand

Enjoy S.A. It is the only casino selected in Chile and Latin America, and shares this nomination with casinos & international resorts.

The Dow Jones Sustainability Index (DJSI) is one of the most recognized indices for corporate sustainability, and recognizes, for the first time, Enjoy S.A. as part of the largest and leading publicly traded companies, driven by sustainability, for their industry-leading performance in environmental, social and corporate governance.

“Our efforts to make our industry and the world a sustainable place, have been recognized and we are happy to announce that we are part of the S&P Dow Jones Sustainability Index, on its 20th anniversary. This recognition inspires us to continue working in all our casinos and hotels in initiatives that contribute to sustainable development.” said Rodrigo Larraín, CEO.
